Dear Student

1. Tutorial and Surgery Schedule Errata

I apologize that I made a mistake and gave the wrong tutor name list to the Registry and caused confusion in the timetable and tutorial group allocation letters sent to the Groups 1, 2, and 3 students. The Group 4 students however, are not affected. The Registry has already made the corrections in the computerized record system. I enclose the revised timetable, and only for the Groups 1, 2, and 3 students, the Registry's revised group allocation letter.

2. Summary of the correction

For Group 4 students only - the information in the schedule and group allocation letter is correct. So there is NOTHING TO CHANGE.

For Group 1 students only - the Group 1 tutor is Mr CHI Hoi Yuen, Nick.

For Group 2 students only - the Group 2 tutor is Ms LEUNG Hoi-man, Phyllis.

For Group 3 students only - the Group 3 tutor is Mr LUK Shun-fai, Peter.

So the only change in the revised timetable is the names of the tutors for Groups 2 and 3. Ms LEUNG Hoi-man, Phyllis becomes the Group 2 tutor, and Mr LUK Shun-fai, Peter becomes the Group 3 tutor. There is NO change in the surgery schedule.

If you are still confused, please email me at tlfong@ouhk.edu.hk, or phone me at 2768-6814 during office hours. My apology for the confusion again.

Happy learning and computing.
